CRASHTEST SECURITY
CERTIFICATE

Certificate ID	**20200723-AS**
Company	**ATOSS Software AG** Rosenheimer Straße 141h 81671 München
Project	**EIW Automated Cloud Testing**

Crashtest Security hereby certifies that ATOSS Software AG is using the Crashtest Security Suite to continuously test their web application(s) for vulnerabilities.

The application(s) of ATOSS Software AG are tested for security issues and vulnerabilities such as:

+ Version Fingerprinting
+ Known Vulnerabilities
+ Sensitive Information Disclosure
+ SSL/TLS Vulnerabilities
+ Misconfigured Security Headers
+ Open Ports
+ SQL Injections
+ Cross-Site Scripting
+ File Inclusion
+ Command Injection
+ XML External Entity Processing
+ Insecure Deserialization
