

ATOSS is Top Employer

Workforce Management specialist receives award for outstanding employee experience once again

Munich, January 25th, 2021. **ATOSS Software AG, with its headquarter in Munich and 12 locations in Europe, is Top Employer 2021. With professional workforce management, ATOSS enables more than 3.5 million employees worldwide to work more flexibly. The company has now received an award from the Top Employers Institute for the second time in a row for the excellent work and career development environment at ATOSS.**

ATOSS Workforce Management turns the vision of a working environment, that is fit for the future into reality. What emerged as a time management solution in 1987 is today a high-end platform for workforce planning that is used by more than 10,000 companies in 46 countries. The modular software suites offer comprehensive functionality and an ideal user experience, also via mobile devices. ATOSS solutions make a measurable contribution to more added value and at the same time enable flexible, employee-oriented work concepts. Director HR Henrich Götz is pleased about the renewed award: „What we want to achieve with our solutions naturally also applies to our own working environment. The focus of our strategy is to promote our employees` identification with the ATOSS values. After all, their motivation and willingness to perform are the driver of our success. Together we are shaping the transformation in the working environment for the benefit of companies, employees and society.“

The great benefits digital workforce management offers organizations of all sizes and industries in times of crisis became particularly clear in the past year. Top Employers Institute CEO David Plink says: „2020 will go down as one of the most challenging years in business history. Keeping this in mind, ATOSS can be particularly proud of this year's Top Employer 2021 award.“ The Top Employers Institute was founded three decades ago and assesses companies in six overlapping HR dimensions and 20 HR areas such as people strategy, work environment, talent acquisition, learning, wellbeing and diversity & inclusion. The status quo of HR efforts determined in this way is benchmarked against global HR standards. This year, over 1,600 top employers in 120 countries and regions on five continents were honored. Together, these certified top employers have a positive impact on the lives of over 7,000,000 employees worldwide.
